Defendants.)	

On November 6, 2015, the Court issued an Opinion and Order denying Defendants' Motion to Dismiss the Second Amended Complaint and directed counsel to confer and file a proposed agreed discovery schedule by November 16, 2015. (Doc #: 84.) On November 16, 2015, the parties filed a document entitled Parties' Submission on Scheduling in which they agreed to two dates, i.e., the period for fact discovery to begin (November 17, 2015) and the date for rolling production of documents to commence (January 8, 2016). (Doc #: 85.) Apparently, they were unable to agree on anything else as Defendants simultaneously filed a Statement on Scheduling (Doc #: 86) followed by Lead Plaintiff's Response (Doc #: 87). The Court has reviewed all documents and concludes as follows:

Event	Date
FACT DISCOVERY COMMENCES	Immediately
Producing party to propose custodians, search terms, and shared stores for electronically stored information (ESI)	December 4, 2015
Propounding party to respond to producing party's proposal and conduct meet-and-confer regarding ESI disputes, including search terms	December 9, 2015
Reach agreement on ESI search terms or submit disputes to the Court	December 17, 2015
Rolling production of documents to commence	January 8, 2016
Deadline for completion of document production	June 10, 2016
MID-DISCOVERY STATUS TELECONFERENCE	9:30 EDT on Tuesday, July 12, 2016
Deadline for disclosure of expected subject matters of expert opinion	October 16, 2016
Deadline for fact witness depositions	December 9, 2016
COMPLETION OF FACT DISCOVERY	December 9, 2016
EXPERT DISCOVERY COMMENCES	December 12, 2016
Lead Plaintiff's expert disclosures and reports due	December 12, 2016
Defendants' expert disclosure and reports due	January 16, 2017
Lead Plaintiff's expert disclosures and reports solely for rebuttal purposes	February 13, 2017
COMPLETION OF EXPERT DISCOVERY	March 17, 2017

Based on the parties' agreement, each side may take 20 depositions and serve 50 interrogatories, and the Court assigns this case to the Complex Track. Finally, privilege logs shall be produced within seven days following each production of documents.

IT IS SO ORDERED.
